

2017 Accessibility Improvement Award

The City of Brantford is dedicated to providing high quality services for our community. In doing so, we recognize the diverse needs of the members of our community and strive to provide services and facilities that are accessible to everyone.

The City of Brantford, in partnership with the Brantford Accessibility Advisory Committee (BAAC) is proud to launch the City of Brantford Accessibility Improvement Award to recognize and celebrate a person, group or organization that has made or is in the process of making a significant contribution towards improving accessibility to accommodate persons with disabilities.

Selection Process

To qualify, public nominations must be received by April 7, 2017. Evaluators will include the City of Brantford Accessibility Coordinator as well as community representatives who serve on the Brantford Accessibility Advisory Committee. - Persons with disabilities must be given an opportunity equal to that given to others to obtain, use and benefit from the goods or services.
- The improvements have been made in the past three years (2014-2016).
